CAMBERWELL DENTAL CARE PAYMENT POLICY

We wish to remind patients that according to the NHS terms of service (found on the Practice Record Form- Patient Declaration PRDP3) , patients will be expected to pay in advance for their treatment .

As such we will ask for a Band 1 payment to be paid prior to your check up. Should you require any further treatment, the balance will be asked for when you book for the next appointment

Patients are required by law to complete and sign the PRDP3 form at the beginning of each course of NEW treatment and serves to establish whether patients are exempt from NHS fees or not.

This form can only be completed by the patient and not by reception. It is important that information entered is accurate to avoid any penalties from the NHS Business Service Authority.
